Conditions and Payment Schedule

The fees at KIS are reviewed annually and are subject to change. Our fees reflect our commitment to excellent high academic standards, faculty and staff, and world-class facilities for your child's education.

Parents have the option to pay tuition and fees by term or annually. A discount of 2% is given for tuition and boarding fees paid annually, applied after any other annual fee reductions. Tuition and fees for all students must be paid 30 days before the start of term or immediately if starting within this timeframe.

For families opting to pay termly, payment is due by the following dates:

TERM 1	TERM 2	TERM 3
7 July 2025	7 December 2025	20 March 2026

For new students, the registration fee and annual development fee/school development fund will be invoiced within 2 working days after accepting a place and are due within 2 weeks of the dated invoice. All fees must be paid before students can attend school.

Late Enrollment

Students are able to start on any Monday during the school term, and tuition and boarding fees will be prorated based on the number of full weeks remaining in the term.

Re-Enrollment

All students are automatically re-enrolled for the subsequent academic year once they have joined.

Overdue Payments

Annual due dates are specified on the invoice, and overdue payments will incur a monthly surcharge of 1.25%. The school reserves the right to withhold school documents, transcripts, and take appropriate legal action in the event of overdue payments and outstanding amounts owed to the school.

Student Group Accidental Insurance

KIS provides a Student Group Accidental Insurance Policy that applies to school-sanctioned activities supervised by school authorities throughout the year, including field trips, sports events, tournaments, and military reserve training. The policy covers accidental medical treatment, as well as loss of life, dismemberment, loss of sight, or permanent disability. While the school considers this coverage reasonable and acceptable, it is highly advisable for each student to have their own medical policy tailored to their circumstances.

Refund Policy & Withdrawal Notice

All fees paid are non-refundable unless a term's notice has been provided. Please contact admissions to request the online Withdrawal Notice Form. For the upcoming academic year of 2025/26, withdrawal notice must be given on or before the following dates:

Withdrawal Term 1	Withdrawal Term 2	Withdrawal Term 3
21 April 2025	7 August 2025	7 January 2026

If you intend to withdraw for the academic year 2026/27, a withdrawal notice must be provided on or before 20 April 2026.

Upon providing one term's notice, only tuition and boarding fees for unused full terms, and the School Development Fund if applicable, will be refunded after deducting any outstanding fees.

Force Majeure

In the event of a force majeure closure of the school or other unforeseeable adverse circumstances beyond the school's control, no fees will be refunded. Lost days will only be rescheduled if the Head of School deems it necessary to maintain educational objectives.
